SCHOLARSHIP BENEFITS

Annual Scholarships (payable each semester) will be awarded to 4 applicants. All scholarship funds will be distributed directly to the financial aid office of the college for qualified expenditures- tuition and general fees, expenses for room, board, books and lab fees.

NOTICE: According to NCAA regulations, this scholarship may be deemed as “countable” in computing total financial aid with institutional athletic scholarships. Therefore, the awarding of this scholarship may raise NCAA compliance issues. The Jason Jensen Scholarship Committee makes no representations or warranties regarding these issues. It is recommended that all compliance issues be addressed by the student/recipient, his or her coach, athletic department personnel, and the NCAA.

The funding of the Jason Jensen Scholarship is expressly contingent upon verification by the recipient of acceptance as a full-time Bachelor's Degree candidate in an accredited four-year college or university or an Associate's Degree candidate in an accredited two-year college. A full-time student is defined as one who is enrolled in 12 or more hours per semester. The recipient and college must notify immediately the Jason Jensen Scholarship Committee if the recipient's course load drops below 12 hours. Recipient shall at that time forfeit the right to future scholarship benefits. Extenuating circumstances shall be directed to the Jason Jensen Scholarship Committee for re-evaluation of continued funding. Any funds not distributed by the college's financial aid office shall immediately revert to the Foundation and remittance is due within 30 days of such notification.

The awarding of the Jason Jensen Scholarship is further contingent upon other financial aid grants and/or scholarships received prior to or after the Jason Jensen Scholarship Committee's final selection. The Jason Jensen Scholarship Committee expressly reserves the right and may revoke any commitment to extend scholarship benefits to any applicant receiving any other form of financial aid, grants and/or scholarship for attendance at an accredited four-year college or university or an accredited two-year college.

A recipient must maintain a cumulative 2.5 or equivalent grade point average to be eligible for renewal of the scholarship each semester. The college must submit such confirmation to the Jason Jensen Scholarship Committee prior to receiving any funds.
